Each night, campers receive the special opportunity to go into areas of the Zoo where the general public is unable to go. There they discover the inner workings of the Zoo, meet the staff that care for the animals, and get up close to some of the exotic animals found in our African areas! At Bush Camp, you truly get the VIP experience!

Bush Camp now offers special Adults Only nights and Bush Camp Jr. nights for families with children aged five and under. Programming on these dates is modified to be appropriate for the age of the participants while still ensuring all of the fun and entertaining activities and tours. BUSH CAMP

One WILD night at the Zoo!

2016

HOW WILL YOUR ADVENTURE UNFOLD?

The sun sets over the African Savanna. The buzz of crickets is briefly dulled by the roar of distant lions. We stroll along the trails, ever watching for a glimpse of the diverse wildlife. The stars appear and light our way as we brave the Serengeti night and return to camp. The flames of the campfire dance as stories of the day's adventure are told.

Come to the Toronto Zoo's Serengeti Bush Camp to experience the wildlife of our African Savanna and Rainforest Pavilion, enjoy evening activities, campfire tales, and the chance to sleep under the stars in our authentic African tents.

BUSH CAMP IS OPEN ALL SUMMER LONG!

Bush Camp begins on the Victoria Day long weekend and is open seven days a week until the Labour Day long weekend.
