

# Chairman's Club

---

Are you looking to make lasting memories with family and friends? Trying to find a unique gift to celebrate a loved one or honour a special occasion? We've got you covered!

Escape the city and treat your guests to an exclusive day at the Toronto Zoo, complete with a private, behind-the-scenes tour in up to two areas, a Development tour guide, transportation via limousine golf cart and much more!

Our Chairman's Club adoption package is designed for groups of up to four people looking to support the Zoo's conservation and research efforts, get up-close to some of their favorite animals and learn more about all that we do at the Toronto Zoo.

For more information about the Toronto Zoo's Adopt an Animal program or to purchase your Chairman's Club package, please contact [development@torontozoo.ca](mailto:development@torontozoo.ca) or call 416-392-9114.

# Book Your Tour Today!

---

Have you recently purchased or been gifted a Chairman's Club package? Ready to book your tour? Email us at [development@torontozoo.ca](mailto:development@torontozoo.ca) or call the Development Office at 416-392-9114 to get started!

When booking your behind-the-scenes tour, please provide us with two or three possible dates as well as three or four possible tour areas in order of preference.

**Please note:** Tours must be taken within the “adoption” period of one year and a minimum of ten business days is required to book your tour. Our tour season operates April through October, rain or shine. Tours are not available on holiday or long weekends. Weekend tours are subject to availability.

As we are working with live animals, all aspects of your tour may be subject to change without notice.
