5. **QUESTION**
   Can the Toronto Zoo share with the bidders the names and/or the organizational roles of the individuals who will be on the RFP evaluation team?

   **ANSWER**
   At this point we have not determined members of the evaluation team who will be involved with the proposal reviews.

6. **QUESTION**
   Has the Toronto Zoo considered the use of the OAA 600-2013 standard client/architect contract that has been developed as a client/owner friendly contract? This OAA document will also facilitate a consistency between the client/architect contract and the construction contract (CCDC contract) that is essential when the architect is to provide services during construction.

   **ANSWER**
   No, we have not. The Toronto Zoo’s standard sample agreement was attached with the RFP issued.
7. **QUESTION**  
Does the Toronto Zoo have preferred cost consultant they deal with, or is costing done internally within the organization?

**ANSWER**  
No, we do not have a preferred cost consultant. Cost consulting is not done internally this would have to be included as part of your submission.

8. **QUESTION**  
Will the Toronto Zoo disclose the other bidders names to all proponents?

**ANSWER**  
The Toronto Zoo can provide the name of the bidders issued the RFP.

Receipt of the Addendum shall be acknowledged as part of your submission.
