

The Needs of Living Things

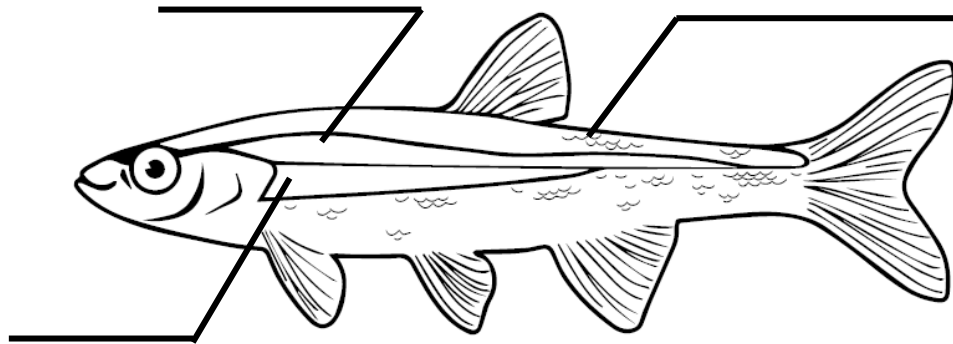

Can you name the five Great Lakes? _____

Use the memory trick H-O-M-E-S to help you!

Why are the Great Lakes so important? List two reasons:

Do you remember what Red looks like? Write the three main colours of the redbreasted dace on the lines below - don't forget the 'racing stripe'!

Bonus! Red eats only meat (bugs). This makes him a (circle one):
